

DX Fanzine No. 94 – June 2021

DX Fanzine, an electronic newsletter which was originally edited in 1999/2000, brings together tips and news as contributed by individual DXers or ascertained from different sources. We are interested in any change in frequencies, times, language-services, transmitters, programme contents, phone and fax-numbers, electronic and postal address, station personnel. The purpose of DX Fanzine, which doesn't pretend to be in competition with any other electronic DX newsletter, is to provide timely and topical news and information to shortwave enthusiasts worldwide. It is available on the web at www.dxfanzine.com and updated as soon as loggings, DX news, frequency updates, as well as, QSL notes are received from any SWL around the world. Although the primary platform for delivery of DX FANZINE information remains its web site, it is turned into a pdf file, (where you can see the final version of it with loggings and information, just as they appear online), a couple of days after the end of each month and sent out FREE to anyone who has subscribed. The current as well as the previous editions of DX Fanzine (including those of years 1999/2000!) can be accessed from its home page and are there almost indefinitely.

NB: All times, days and dates are day/month GMT-UTC, unless otherwise stated. Logs are entered in frequency order. **Reception quality abbreviations:** **P** = Poor, **F** = Fair, **G** = Good, **E** = Excellent. **Language abbreviations:** **AA**=Arabic, **CC**=Chinese, **CT**=Catalan, **DD**=Dutch, **EE**=English, **FF**=French, **GG**=German, **HA**=Hausa, **IT**=Italian, **JJ**=Japanese, **KK**=Korean, **PP**=Portuguese, **RM**=Romanian, **RR**=Russian, **SS**=Spanish, **VV**=Vernacular.

Material from DX Fanzine may be redistributed, posted to any other location, published or used for broadcast, provided it be fully credited to DX Fanzine and the original and intermediate sources.

Please send your contributions to: dxf@dxfanzine.com **EDITOR:** Antonello Napolitano (AN).

13700 CHINA CRI (Urumqi) at 1826 in Amoy with East Asian vocals to 1830 and a man with talk to 1831 and a man and a child with brief talk and a children’s song – Fair to Good June 6 Coady-ON

13760 CHINA CRI (Kashi) at 1833 with a man and a woman discussing issues facing Chinese youth on “Roundtable” – Fair to Good June 6 (Coady-ON)

15000 HAWAII WWVH at 1820 with time pips and female time announcements 15 second before each minute – Fair to Good mixing with WWV June 6 Coady-ON – O for the good old days of the 1970s and 80s when this kind of reception would have us checking the band for other stations in the South Pacific no matter what time of day it was! Back then you could be at your radios all day and all night and always have a plethora of stations to listen to.

15400 ASCENSION ISLAND BBC at 1812 // 11810 (Fair via Ascension Island) with a “Newsroom” between a woman and a man about Angela Merkl’s CDU party winning elections in the Saxony-Anhalt region of the former East Germany – Good June 6 (Coady-ON)

15590 THAILAND Radio Thailand at 0002 with a woman with news to 0009 and an ad for Thai seaside resorts and a promo for radiothailand.com and back to news at 0012 – Fair to Good June 6 Coady-ON – Just about the best I have heard them in quite a while. (Coady-ON)

15770 USA Memphis Weirdos (via WRMI Okeechobee, FL) at 2030 opening with indie female vocals then Bill Webb, Jr. at 2034 with opening announcements and ID then indie male vocals at 2035 – Very Good June 6 Coady-ON – This program, as well as Jon Jurasek’s Radio VORW International, is most certainly growing on me. Before Fred Waterer took over the programming column with the ODXA’s DX Ontario, and later Listening In, we had an editor, Terry Bowden, who was a little off the wall, to say the least, but I always supported his efforts and was a sounding board for him. I remember mentioning to him once that my music tastes ran the gamut from neo-fascist progressive rock to the morning throat clearings of Iranian shepherds so programs like this I certainly find to my musical tastes.

15770 USA Radio Prague International (via WRMI Okeechobee, FL) at 2100 with Ruth Fraňková hosting the “Sunday Music Show” – Very Good June 6 (Coady-ON)

11725 CRI (Xianyang) 1652-1702 1, 4 June. Fair in GM with CH/GM language lessons on the 1st & mostly GM chat about areas in China on the 4th. (Sheedy)

11775 CNR1 [jammer] 1628-35 4 June. All over SOH (unhrd on any of the freq.) this morning, also jamming 11990/15340. (Sheedy)

11880 CRI, Xianyang *1658 1 June, 1638-45 4 June. Big signal from the Hakka service in the mornings here--anthem-y & CH-pop tunes on the 1st with more 'traditional-sounding' CH songs on the 4th. Xianyang is just across the Wei R. from X'ian & apparently is aimed right at me 📶. (Sheedy)

5850 USA Radio Slovakia International (via WRMI Okeechobee, FL) at 0030 // 7780 (Very Good also via WRMI Okeechobee, FL) with "Slovakia Today" with Jonathan McCormick with "The Saturday Front Page" review of the week's top news stories then a review of the top feature reports of the previous week from 0034 – Very Good June 20 (Coady-ON)

7245 NEW ZEALAND RNZI at 1045 with a man playing pop and rock music requests to TC at 1056 as "coming up to 3 before 11 and the news is coming up" then another request to time pips at 1100 and a man with "RNZ news at 11" then news to "News next is at midnight" at 1104 and back to the music request show – Very Good June 19 Coady-ON – There is a regular 40 meter ham radio net that starts at 1100 each morning that can, and often does, cause QRM but we really have no right to complain as the frequency range between 7200 and 7300 Khz is reserved for amateur radio use in ITU Region 2 (where we are) only. New Zealand is in ITU Region 3 which, along with ITU Region 1 (Europe, Africa, and part of Asia), still allows for shortwave broadcasting between 7200 and 7300 Khz. (Coady-ON)

7490 USA Marion's Attic (via WBCQ Monticello, ME) at 2100 with Marion Webster's excellent and eclectic program of really old music selections with her friend, Kristina, spinning the discs and wax cylinders and reading listeners' letters – Very Good June 20 (Coady-ON)

9830 TURKEY Voice of Turkey at 2156 with IS and ID loop to time pips at 2200 and a woman with ID and sked then a woman with news at 2202 – Very Good June 20 Coady-ON

9925 EAST GERMANY The Mighty KBC (Nauen) at 0000 with opening music and a man with ID of "Rocking over the ocean, all over Europe, we are the Mighty KBC" then singing and spoken IDs and funny promos and into DJ Dave Mason with oldies music – Very Good June 20 Coady-ON – The thing I really like about Dave Mason's hour is how he plays obscure and one hit wonders as well as the hits of established acts and is quite knowledgeable about all of the artists he plays during his hour. Eric Van Willegen's "Giant Jukebox" is a great hour in its own right but it is based more on comedy and childish hijinks – not that I have anything against childish hijinks. After all, I was a really big fan of the late Benny Hill and sill am! Dave Mason's hour, however, is quite special to me. If I could afford it, I would pay to expand both shows by an hour. We truly do need four hours

of oldies music on a Saturday evening from the station that plays what we old farts truly want to hear. Locally we haven't had anything like that since Don Daynard's "Looking Back" program on Saturday nights on CHFI 98.1 FM in Toronto. Former CHUM and CHUM-FM DJ Roger Ashby has a great syndicated "Roger Ashby's Oldies" show but the amount of stations carrying it was abruptly reduced lately, including where I live. (Coady-ON)

11600 CHINA CNR at 1120 in Mandarin jamming the Sound of Hope in Mandarin via Taiwan with a man and woman with talk – Weak but audible June 19 (Coady-ON)

11640 MALI CRI at 2003 // 13630 (Good via Mali) with a woman with "CRI News" then "Chinese Theatre" at 2005 – Very Good June 20 Coady-ON – This program and "Alight on Literature", which follows "Chinese Theater", certainly presents an insight into present day Chinese culture and how the past history of China, and its culture, is interwoven with Chinese society today despite the efforts of the Chinese Communist Party. (Coady-ON)

13650 ROMANIA RRI (Tiganesti) at 2029 // 9740 (Good beamed to Western Europe via Galbeni) with IS to opening music at 2030 and Daniel Bilt with ID, target areas, web platforms, and satellite reception info and Vlad Palcu with news at 2031 – Very Good June 20 Coady-ON – I'm truly convinced that RRI has absolutely no problems with their transmitters. They've just shut down // frequencies as a cost saving matter no what the on air staff tells us. After all, they're just being fed the story to tell us and probably have no idea of the real reason behind the reduction in frequencies in use. Do any of you out there still believe that RRI is experiencing technical problems with their transmitters? As the country and western song goes "I've got oceanfront property in Arizona". (Coady-ON)
