

DX Fanzine No. 103 – March 2022

DX Fanzine, an electronic newsletter which was originally edited in 1999/2000, brings together tips and news as contributed by individual DXers or ascertained from different sources. We are interested in any change in frequencies, times, language-services, transmitters, programme contents, phone and fax-numbers, electronic and postal address, station personnel. The purpose of DX Fanzine, which doesn't pretend to be in competition with any other electronic DX newsletter, is to provide timely and topical news and information to shortwave enthusiasts worldwide. It is available on the web at www.dxfanzine.com and updated as soon as loggings, DX news, frequency updates, as well as, QSL notes are received from any SWL around the world. Although the primary platform for delivery of DX FANZINE information remains its web site, it is turned into a pdf file, (where you can see the final version of it with loggings and information, just as they appear online), a couple of days after the end of each month and sent out FREE to anyone who has subscribed. The current as well as the previous editions of DX Fanzine (including those of years 1999/2000!) can be accessed from its home page and are there almost indefinitely.

NB: All times, days and dates are day/month GMT-UTC, unless otherwise stated. Logs are entered in frequency order. Reception quality abbreviations: P = Poor, F = Fair, G = Good, E = Excellent. Language abbreviations: AA=Arabic, CC=Chinese, CT=Catalan, DD=Dutch, EE=English, FF=French, GG=German, HA=Hausa, IT=Italian, JJ=Japanese, KK=Korean, PP=Portuguese, RM=Romanian, RR=Russian, SS=Spanish, VV=Vernacular.

Material from DX Fanzine may be redistributed, posted to any other location, published or used for broadcast, provided it be fully credited to DX Fanzine and the original and intermediate sources.

Please send your contributions to: dxf@dxfanzine.com **EDITOR:** Antonello Napolitano (AN).

In the 90's the station was active also on short waves.

The next conference is finally coming. The health situation will allow us to meet in Bucharest from May 20 to 22, 2022. The venue will be the Mercure hotel in the city center. The actual conference will take place on Saturday and Sunday morning. A welcome drink is on Friday evening. For those, who can arrive on Thursday, we are planning a visit to the Radio Romania International's studios on Friday, this will be confirmed at the beginning of May. On Saturday (time to be defined) there will be a sightseeing tour of Bucharest (2 hours). The fees are as follows: - Conference fees: 61.95 euro (i.e. conference room & lunch for Saturday & Sunday). - Saturday evening banquet: 31 euro. - Tourist visit around 20/25 euro must be confirmed. For the rooms, it's 65 euro (single) or 75 (double/twin) breakfast included. For the reservation of the room, it will be necessary to do it by a form prepared by the hotel, so as soon as possible ask me for this form. I hope that many of you will take part in this invitation.
