

DX Fanzine No. 109 – September 2022

DX Fanzine, an electronic newsletter which was originally edited in 1999/2000, brings together tips and news as contributed by individual medium/short wave listeners or ascertained from different sources. DX Fanzine, which doesn't pretend to be in competition with any other electronic DX newsletter, is a compiled publication (not cut-and-paste) intended for sharing of DX reception notes, loggings, QSL details, and general news about medium and short wave (AM) broadcasting stations. As most printed DX magazines went out of print or changed to "digital-only" versions of their former selves, we set about making a bulletin as simply as possible (and free of charge!) that covered essentially two things: what is being heard on both, medium and short waves, and how to get a QSL verification from a radio station. Not only DX Fanzine is being distributed each month, free, via E-mail, to various Clubs, organizations and individuals worldwide but is also available on the web at www.dxfanzine.com and www.dxfanzine.org. The current as well as the previous editions of DX Fanzine (including those of years 1999/2000!) can be accessed from its home page and are there almost indefinitely.

NB: All times, days and dates are day/month GMT-UTC, unless otherwise stated. Logs are entered in frequency order. **Reception quality abbreviations:** **P** = Poor, **F** = Fair, **G** = Good, **E** = Excellent. **Language abbreviations:** **AA**=Arabic, **CC**=Chinese, **CT**=Catalan, **DD**=Dutch, **EE**=English, **FF**=French, **GG**=German, **HA**=Hausa, **IT**=Italian, **JJ**=Japanese, **KK**=Korean, **PP**=Portuguese, **RM**=Romanian, **RR**=Russian, **SS**=Spanish, **VV**=Vernacular.

Material from DX Fanzine may be redistributed, posted to any other location, published or used for broadcast, provided it be fully credited to DX Fanzine and the original and intermediate sources. **Next deadline: 30.10.22**

EDXC 2023 CONFERENCE TO BE HOLD IN METZ (FRANCE)

At the beginning of September I sent a message to 28 people, to date I have received 16 replies, so almost 50% of replies. So here's the report, 100% of respondents say they still want face-to-face meetings, which is a good thing for all clubs and associations. I was surprised to read that many friends are above all interested in tourist visits, three friends tell me that besides the tourist part, the subject of presentations is also very important. As for the choice of the city (Metz) a very strong majority approve because access to the city is quite easy, by train or car, no need to take the plane, because it is quite close to their home. A meeting in the fall is preferred, so Chrissy and I we suggest a date during the month of September. Tentative dates: **September 7 to 10 OR 14 to 17**, depending on hotel availability. Our meeting will therefore be in METZ. I will request quotes in November and will let you know. Of course, comments and suggestions are always welcome. Thanks and regards, **Christian Ghibaudo (Assistant Secretary General)**.
